Missouri-7 Absentee Options

Registered Missourians who expect to be prevented from going to their polling place on Election Day may vote absentee beginning six weeks prior to an election.

Absentee voters must provide one of the following reasons for voting absentee:

1. Absence on Election Day from the jurisdiction of the election authority in which such voter is registered to vote;
2. Incapacity or confinement due to illness or physical disability, including a person who is primarily responsible for the physical care of a person who is incapacitated or confined due to illness or disability;
3. Religious belief or practice;
4. Employment as an election authority, as a member of an election authority, or by an election authority at a location other than such voter's polling place;
5. Incarceration, provided all qualifications for voting are retained.
6. Certified participation in the address confidentiality program established under sections 589.660 to 589.681 because of safety concerns.
7. For an election that occurs during the year 2020, the voter has contracted or is in an at-risk category for contracting or transmitting severe acute respiratory syndrome coronavirus 2 (COVID-19).

Voters who are considered at-risk for contracting or transmitting COVID-19 are those who:
